Water District

National Drinking Water Week | May 2-8, 2021

PURE. SAFE. RELIABLE. Drinking water plays a vital role in our health and well-being. Our communities depend on safe and reliable drinking water.

Celebrate your drinking water by taking a free virtual tour of the Sebago Lake Water Treatment Facility or exploring the new "Forever Forests for Sebago Lake" online Story Map. *Details on the flip side.*

VIRTUAL TOUR: SEBAGO LAKE WATER TREATMENT FACILITY

TUESDAY, MAY 4 | 5:30 p.m. - 6:30 p.m. | PLATFORM: ZOOM

Register by Monday, May 3 @ pwd.org/207-774-5961 x 3336

Tour the Sebago Lake Water Treatment Facility –*VIRTUALLY!*

Learn about treatment and laboratory processes used to transform Sebago Lake's water into the high quality, safe drinking water you enjoy at the tap. The tour will include live discussions with PWD staff and is geared toward an adult audience. Registration is required.

All tour registrants will be entered into a drawing to win one of our popular rain barrels!

EXPLORE ONLINE: FOREVER FORESTS FOR SEBAGO LAKE

PROJECT DEBUT: SUNDAY, MAY 2

For over a decade, PWD has supported the purchase of forested land in the Sebago Lake Watershed. These forests filter your drinking water while also providing other benefits we can all enjoy, like hiking, birding, kayaking, and hunting. Explore the "Forever Forests for Sebago Lake" online Story Map to explore conserved properties.
